

CURRICULUM VITAE

STUART JEFCOATE, MRICS

I am a professional associate of the Royal Institution of Chartered Surveyors, MRICS and RICS Registered Valuer (83156).

BSc(Hons) Land Administration

Up to date with CPD and fully efficient CAD drawing and IT literate.

I qualified in 1990 and between 1986 and 1991 worked in both the investment and auction departments of a leading property company, dealing with the valuation, sale and asset management of all types of commercial and residential property.

Since 1991 I have been both a property consultant and property investor and I have been involved in seeking, valuing, acquiring and financing both commercial and residential property investment and development opportunities and the subsequent project management and disposal. Projects have included refurbishments, conversions, redevelopments and re-negotiating leasehold interests to enhance the investment value of properties.

Work history includes extensive professional work including surveys, investment and rental valuations.

Clients include, London Borough Of Newham, Barclays Bank, Woolwich and Lloyds Bank.
